

DINNER TO DIE FOR

ANNUAL FUNDRAISER DINNER EVENT

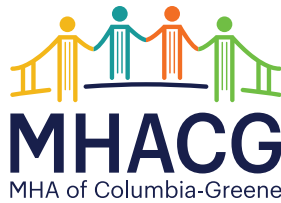

Murder Mystery Fundraiser Dinner

SPONSORSHIP OPPORTUNITIES

MHACG
MHA of Columbia-Greene

Dear Business Owner/Manager,

MHA of Columbia Greene is built upon support for the community, to build a bridge between mental health and total wellbeing. Now, more than ever, mental health has become a crucial topic of concern for people of all ages.

The pandemic has highlighted the need for a focus on mental health, as rates of anxiety, depression, and substance use disorders have increased substantially. Social isolation and disconnection from family and friends; stress and anxiety over financial impact; loss of loved ones to the virus; all placed a spotlight on mental wellbeing. **In fact, 1 in 5 people experience some form of mental struggle.**

"I no longer feel like I am living in survival mode and have grown to be a new, different person in the best way possible." - Becky, a survivor of abuse struggling with mental health. **Thanks to YOU**, our generous donors, Becky was able to receive the support she needed to remain sober, set boundaries, and be safe from an abuser.

Mental health is health. It affects all of us, regardless of age, ethnicity, or gender. In the rural communities of which we serve, individuals face unique challenges attempting to receive effective treatment with shortages of workforce professionals and lack of transportation to care. Everyone in Columbia and Greene Counties deserve to have access to mental health care.

This year, **you have the opportunity to help build a bridge to wellbeing, to connect children, families, and residents with care** by investing in addressing situations just like Becky's.

We invite you to join us with our new vision and purpose in the community, to help build a bridge to wellbeing, and strive for improved access and awareness of mental health supportive care. **As a sponsor of our annual fundraiser dinner, a Dinner to DIE For, you'll be investing in care for the community, along with a dinner and murder mystery extravaganza you won't want to miss!**

Thank you for your compassion for the people who need support in our communities.

Sincerely,

David R. Rossetti, LCSW-R
Chief Executive Officer

ABOUT US

A little bit about

MHA OF COLUMBIA GREENE

Founded in 1958, MHA of Columbia Greene now provides support for over 10,000 clients across the two counties.

We're founded upon mental health, and are one of hundreds of Mental Health Associations across the country. Here at MHA of Columbia Greene, we go beyond assisting with mental health and support substance use recovery, assault & abuse support, peer support, education & after school programs, and child abuse support & prevention.

MISSION

Our mission is to advance mental health as a critical part of the overall health and wellbeing of our communities.

VISION

Our vision is to strive for better health and wellbeing for our communities with improved access to, and awareness of, mental health supportive care.

VALUES

The Core Values that guide us is based in CARE: Community, Assistance, Respect, and Education. We strive to provide everyone with access to the care they need for overall wellbeing.

PROGRAMS THAT MAKE A DIFFERENCE

We go beyond support for mental health, providing essential supportive services that help individuals live life to its greatest potential. To help children learn, grow, and socialize in ways that improve their mental health, education, and wellbeing. To give provide recovery from substance use, provide meals and a warm shelter for those experiencing homelessness. To provide assistance for survivors of assault, crime, child abuse, and human trafficking. We are **your bridge to wellbeing**.

MOBILE CRISIS (MCAT)

The Mobile Crisis Assessment Team (MCAT) is an award winning service that provides essential supports to those facing a mental health crisis. The team provides life-saving interventions and connects individuals with continued care solutions for wellbeing.

RECOVERY SUPPORT PROGRAM FOR MENTAL HEALTH

PROS helps those living with a mental health diagnosis learn life skills to thrive and live life to its fullest potential. Individuals get to work toward different goal areas, integrating rehabilitation, treatment, and support services. Individuals work on coping skills, employment support, creative arts, medication management, and more.

CLUBHOUSES YOUTH DROP IN CENTER AND RECOVERY PROGRAMS

The Clubhouses provide a drop in center for the youth and young adults to participate in activities that build learning and capabilities. They conduct a live radio broadcast, develop art, music and dance projects, participate in community events, and have even worked to develop short movies. Harm Reduction is also an important aspect with the youth providing live saving resources & trainings, such as on Naloxone to the community.
